## PLAN BENEFITS INCLUDE:

- Join the Automatic Increase Club and have your contributions automatically increased each January by an amount or percentage of your choice
- Rollover outside pre-tax retirement accounts into the Deferred Compensation Plan
- No administrative, maintenance, or commission costs
- Excellent investment options including 80+ mutual funds, Target Date Funds, and investments that guarantee up to a 3.5% annual rate of return
- Make account changes regarding your Investment Provider(s), contribution amount, and investment allocation at anytime
- Penalty-free withdrawals upon separation from State employment at any age

## THE MORE YOU SAVE, THE BRIGHTER YOUR FUTURE BECOMES...

This chart shows how making biweekly contributions to your Deferred Compensation Plan can dramatically boost your retirement savings. This example compares an investor's returns over 10, 20, and 30 years at four different contribution rates (1%, 2%, 3%, and 4%).

This chart is for illustrative purposes only and not meant to represent the performance of any specific investment option. The scenario assumes an annual salary of \$30,000, a 7% return and reinvestment of earnings, with no withdrawals. Rates of return may vary.
